C. ANSWER THE FOLLOWING QUESTIONS:

1. Where did Gulliver belong to? For where did he start his sea voyage?

2. Describe the giant farmer who discovered Gulliver?
   
   Ans. The giant farmer who discovered Gulliver was sixty feet tall. The sound of his voice was like the sound of thunder.

3. How did the farmer’s wife react when she saw Gulliver for the first time?
   
   Ans. When the farmer saw Gulliver for the first time, she screamed and ran back frightened as if seeing a spider or a lizard.

4. How high was the dining table? Why did Gulliver keep away from the edges of the table?
   
   Ans. The dining table was thirty feet higher. Gulliver kept away from the edges of the table as the farmer put him on the table.

5. Where did the little girl and her mother make Gulliver’s bed? Why did they put the bed on a hanging shelf?
   
   Ans. The little girl and her mother made Gulliver’s bed in the doll’s cradle. They put the bed on the hanging shelf for fear of rats.

6. Who was the little nurse? How did she take care of Gulliver?
   
   Ans. The farmer’s daughter was the ‘Little Nurse’. She made clothes for him, she washed them too, taught him
their language and a lot more care without leaving his side as long as he was there.

D. THINK AND ANSWER:
1. How did Gulliver understand that the giant farmer instructed his wife to take great care of him?

Ans. From the voice and body language of the giant farmer Gulliver understood that the farmer instructed his wife to take great care of him.
